Professional Experience

I was a chairside orthodontic assistant for 12.5 years assisting with initial bonding and removal of braces, routine adjustment appointments, laser tissue removal, Invisalign, inventory tracking, ordering, ect. I also cross-trained in the business office and was responsible for new patient consultations, scheduling, insurance verification, payment monitoring and office management. I served as a supervisor for 7.5 of those years.

Teaching Experience

Dental Science, Chairside Assisting, Dental Materials, Dental Radiology, Laboratory Procedures, Preventive Dentistry, Office Management, Dental Assisting Applications, Clinical Rotations
