Research Interests

United States History after 1877, especially the period from World War I to World War II. The fiction of Stephen King as social criticism.

Current Research

Since I retired in August, 2021, I have no on-going research projects. However, I keep up with US History and English and Composition by attending conferences and webinars and by reading current research.

Teaching Experience

US History I and II

Composition I – computer classroom and online

Composition II – face-2-face and online

British Literature I – f2f and online; developed the online course

British Literature II – f2f and online; developed the online course

World Literature I – f2f and online; developed the online course

World Literature II – f2f
